THIRD YEAR.

At a meeting of the Synod held in June 1881 a resolution was passed to the effect, that the course offered at the College should be extended from six to seven years; the whole course to be divided into a preparatory department of three years and a collegiate of four. In order, however, not to be unfair to those students who had previously entered the College with a view of completing the course in six years, it was resolved, that this change should not affect the students that had already entered the school, but only those that should be admitted in the future. In the next academic year there will thus be three classes conducted on the new plan. These and all subsequent classes will finish a seven years course before graduation. Next year the programme for the third class will be as follows:

Latin: Five recitations weekly during the year.

German: Four recitations.

English: Three recitations.

Norwegian: Three recitati ns.
Dietrich: Two recitations.
U. S. History: Four recitations.
Physical Geopraphy: Thr. e recitations.
Algebra: Four recitations.
Zoology and Botany: Three recitations.
Vocal Music: once a week.

General Information.

ORIGIN AND AIM.

Luther College was founded in the year 1861 by the Norwegian Evangelical Lutheran Synod of America. The College is supported by voluntary gifts from the congregations constituting that body, and is, accordingly, under the control of the Synod, which appoints the Board of Trustees and the Board of Visitors. The institution owes its origin to the growing demand for educated men who could preach the Word of Life to the rapidly increasing Norwegian population of this country.

The chief object of the College is to meet this demand; but it also aims to afford the advantages of a liberal education to any youth, desiring to avail himself of the same.

Believing, that „the fear of the Lord is the beginning of knowledge", it regards mere mental training without christian faith and love as possessing but a doubtful value. For this reason it desires through its religious instruction and christian influence to reach as many as it can also of those who do not intend to serve the church directly as pastors or teachers, trusting that those whose education has been based on christian principles will, also in other vocations, both morally and intellectually, exert a beneficial influence among their countrymen and fellow-christians.

LOCATION AND BUILDINGS.

The College was temporarily located at Halfway Creek, Wis. In the year 1862 it was removed to Decorah, Winnesheik Co., Iowa, a city situated at the terminus af a branch of the C. M. & St. Paul R. R. The grounds embrace 32 acres about one mile distant from the business center of the city.

The College buildings are located in a fine natural park on the left bank of the Upper Iowa River, and command a beautiful view of the city and the surrounding country. There are two buildings. The main building is 170 x 52 feet, has four stories and a basement. There are comfortable accommodations for about 150 students.

GENERAL REGULATIONS.

Students are required to enter promptly at the beginning of the academic year and to remain until its close.

No student is permitted to be absent during the year except for urgent reasons.

Strict observance of study hours and punctual attendance on all prescribed exercises are required.

Students regularly attend devotional exercises and public worship.

Such other rules will be announced as are necessary for the preservation of good order.

TERMS OF ADMISSION.

All applications for admission should be sent to the President of the College before Aug. 1.

Candidates for an advanced class must pass a satisfactory examination in the branches required to enter the class to which they aspire. Such examinations are held during the three days immediately preceding the academic year. (1883: September 1. 3. 4.)

Examinations may be held at any time; but applicants are requested to present themselves on the days appointed.

For admission to the Preparatory Department the following attainments are required: Facility in reading Norwegian and English; a legible handwriting; in Arithmetic: Notation, Addition, Subtraction, Multiplication, Division, and Common Fractions; Luther's Catechism and Pontoppidan's Udtog.

Satisfactory testimonials of good moral character must be presented, and those coming from other institutions are required to bring certificates of honorable dismissal.

EXPENSES.

Tuition for the first year in the Preparatory Department is	$20.00.
For the second year	$10.00.
Board, 40 weeks,	$70.00.

All students pay an annual fee of $2.00 to the College physician who will, in case of sickness, give them medical aid. The College furnishes bedsteads, tables, book-shelves, stoves, and fuel. Students must furnish their own books, bed-clothes, light, etc.

As a rule, students are not permitted to board elsewhere; in case such permission is granted, an annual fee of $8.00 is required for contingent expenses.

In the College Department as well as in the third year of the Preparatory Department instruction is given free of charge.

All College dues must be paid quarterly in advance.

PREPARATORY DEPARTMENT.

From the beginning of the next academic year (September 5th 1883) instruction in the Latin language will not be given in the first year of the Preparatory Department. The five hours of the week which hitherto have been given to Latin will henceforth be devoted to History, Geogrophy, Arithmetic and English.

NORMAL DEPARTMENT.

Instruction in this department, which for years has been connected with the College, was on account of circumstances for this year temporarily discontinued. Next year, however, instruction will be resumed. The Normal Department, which embraces a course of three years, educates teachers for the parochial schools of the Synod, at the same time qualifying them for teaching in our Common Schools.

LUTHER COLLEGE ALUMNI ASSOCIATION

held its first meeting in June 1880. The aim of the association is to preserve a spirit of harmony among the graduates of this institution, and to unite them in fraternal work for the best interests of their ALMA MATER. The association is at present engaged in raising an endowment fund for Luther College. The work done so far has been successful. The association now numbers 101 members.

LITERARY SOCIETIES.

The „Osseo" and „Addison" literary associations were organized in 1879. These societies afford their members valuable opportunities for improvement in reading, writing, and speaking. The regular weekly meetings are devoted to debates, orations, reading of papers, and criticisms.

The two societies jointly constitute the „Students' Union", which holds exercises in the College Chapel every five weeks.

„Muspelheim" and „Niflheim" are reading-rooms, where members have access to the best newspapers and periodicals in the Norwegian and English languages.

LIBRARIES.

The College Library contains 3700 bound volumes, besides pamphlets, papers, and other printed matter. The students pay an annual fee of 25 cents for the privilege of using this library. An annuity of $200 is received from the Synod.

The „Mimer" Library has on its shelves about 800 volumes, embracing the best modern authors. The library is the property of the students constituting the „Mimer" association. Every member pays an annual fee of $1.00. A catalogue of the books contained in these two libraries will be published this year.

MUSICAL SOCIETIES.

The students have organized three societies for the cultivation of music, instrumental and vocal. The choir, „Lorelei", consists of sixteen voices. The „Brass Band" has sixteen instruments. The „String Band" has twelve members.

„LUTHER COLLEGE PHALANX."

A company has been organized for the purpose of training students in military tactics. The College Armory contains 50 stand of arms with accoutrements.

Only such societies are allowed whose constitution and by-laws have been approved of by the President of the College.

BENEFICIARY AID.

Pecuniary contributions are regularly received from persons and congregations who are interested in the work of the College. These monies are bestowed upon poor students whom the Faculty deem worthy of help, and who desire to educate themselves for work in the holy ministry. Clothes are also received and distributed to needy students.

LEGACIES.

Mr. Halvor O. Gjergjord, late of Stoughton, Wis., bequeathed to our College two thirds of his estate, to be controlled by the Board of Trustees, and the annual income thereof to be distributed among deserving students whose aim is to serve the church.

The estate has not yet been settled, but the legacy is presumed to amount to some eight thousand dollars.

Another similar bequest has lately been made by Mr. Martin Pedersen, of Glenwood, Iowa. The amount is not known.

DEGREES.

The degree of Bachelor of Arts is conferred upon those students who have completed the regular course. Graduates of three years standing, who by a thesis or in some other way show to the satisfaction of the Faculty that they have made progress in a special study or studies, may on application receive the degree of Master of Arts.
